Kathleen Monahan, Administrative Principal
k_monahan@stoughtonschools.org

July 8, 2019

Dear Wilkins Community,

It is with great pleasure that I introduce myself as the new Administrative Principal for Wilkins Elementary School. Some of you may know of me already. I have been teaching in Stoughton, MA since 2005. For the past 13 years I have taught third or fifth grade at Wilkins Elementary. I have also been the school’s Assistant Principal since 2015.

My husband and I have two grown sons. Our oldest son graduated from Stoughton High School in 2014 and went on to study at Salve Regina University in Newport, RI where he graduated as a business major in 2018. Our younger son decided on a more non traditional path. He graduated from Norfolk County Agricultural High School this past June and will be a freshman at Unity College in Unity, ME this fall where he will double major in marine biology and captive wildlife care. We also have a rescue dog named Stella. Stella is a blonde Shepherd Labrador mix, and she is the princess of the family. I love spending time at the beach with my mom, caring for the flowers in my garden, and reading books for both professional growth and personal pleasure.

More importantly, I am passionate about our Wilkins community. I absolutely love working with children and plan to be in classrooms, on the playground, in the cafeteria, and out in the parking lots daily. I want every child to love coming to school each day, and I want every family to feel welcome in our building.

Afterall, we are about to embark on an important journey. As partners, we will work together to help your child become a caring and kind citizen of the 21st century; one who appreciates and accepts diversity, who is able to think critically and collaboratively, and who understands the importance of their overall contribution in our community. I am excited about what lies ahead.

I invite you to come in to talk to me over the summer. Introduce yourself and tell me about you, your family, and your children. Share with me the hopes you have for our school. There will be a meet and greet opportunity, Popsicles with the Principal, in August. Information about this event will be sent later this summer. I hope to see you and your children there.

Enjoy the rest of your summer.

Kathleen Monahan
